Why choose Cuemath?

"Cuemath is a valuable addition to our family. We love solving puzzle cards. My daughter is now visualizing maths and solving problems effectively!"

"Cuemath is great because my son has a one-on-one interaction with the teacher. The instructor has developed his confidence and I can see progress in his work. One-on-one interaction is perfect and a great bonus."

"I appreciate the effort that miss Nitya puts in to help my daughter understand the best methods and to explain why she got a problem incorrect.

She is extremely patient and generous with Miranda."

FUN FACT

- 1. When adding or subtracting different digit numbers, make sure to place the numbers one below the other in the correct column of their place value.
- 2. Adding zero to any number gives the number itself.
- 3. When 1 is added to any number, the sum is the successor of that number.
