Why choose Cuemath?

"Cuemath is a valuable addition to our family. We love solving puzzle cards. My daughter is now visualizing maths and solving problems effectively!"

- Gary Schwartz

"Cuemath is great because my son has a one-on-one interaction with the teacher. The instructor has developed his confidence and I can see progress in his work. One-on-one interaction is perfect and a great bonus."

- Kirk Riley

"I appreciate the effort that miss Nitya puts in to help my daughter understand the best methods and to explain why she got a problem incorrect. She is extremely patient and generous with Miranda."

- Barbara Cabrera

ANSWERS

1)	63
2)	2
3)	a) False, b) True
4)	23
5)	2
6)	a) 7, b) 2
7)	35
8)	5
9)	One's digit in 29
10)	132 units

FUN FACT

1. In a two digit number the ones digit is the number that is on the right side.
2. Addition of two positive numbers is always greater than both the numbers.
3. Any subtraction problem can be transformed to an addition problem and vice-versa.
