Why choose Cuemath?

"Cuemath is a valuable addition to our family. We love solving puzzle cards. My daughter is now visualizing maths and solving problems effectively!"

- Gary Schwartz

"Cuemath is great because my son has a one-on-one interaction with the teacher. The instructor has developed his confidence and I can see progress in his work. One-on-one interaction is perfect and a great bonus."

- Kirk Riley

"I appreciate the effort that miss Nitya puts in to help my daughter understand the best methods and to explain why she got a problem incorrect. She is extremely patient and generous with Miranda."

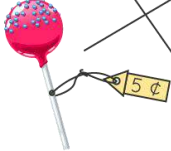

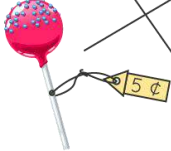

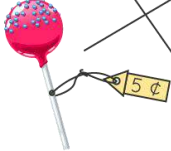

- Barbara Cabrera

FUN FACT

1. Vending machines in the United States of America usually give dollar coins as change because it is easier to give coins rather than paper money!
2. Do you know that the US mint makes more coins and medals than any other mint in the world?
3. Pennies are made with a metal called Zinc, coated with copper.
