Present across USA, UK, Singapore, India, UAE & more.

## Why choose Cuemath?

"Cuemath is a valuable addition to our family. We love solving puzzle cards. My daughter is now visualizing maths and solving problems effectively!"

- Gary Schwartz

"Cuemath is great because my son has a one-on-one interaction with the teacher. The instructor has developed his confidence and I can see progress in his work. One-on-one interaction is perfect and a great bonus."

- Kirk Riley

"I appreciate the effort that miss Nitya puts in to help my daughter understand the best methods and to explain why she got a problem incorrect. She is extremely patient and generous with Miranda."

- Barbara Cabrera

## FUN FACT

1. The quarter dollar made in 1804 was the first silver coin in the United States Mint's history to have a value on it!

2. Do you know that the life expectancy of a circulating coin is 30 years, while paper money usually only lasts for 18 months!

3. US President Abraham Lincoln was the first president to appear on a US coin.
