## Why choose Cuemath?

"Cuemath is a valuable addition to our family. We love solving puzzle cards. My daughter is now visualizing maths and solving problems effectively!"
"Cuemath is great because my son has a one-on-one interaction with the teacher. The instructor has developed his confidence and I can see progress in his work. One-on-one interaction is perfect and a great bonus."
"I appreciate the effort that miss Nitya puts in to help my daughter understand the best methods and to explain why she got a problem incorrect.
She is extremely patient and generous with Miranda."

## FUN FACT

1. 9 is a magic number. When you multiply any number by 9 , the digits of the answer always add up to 9.
2. 1 is the first non-zero number among all numbers.
3. Numbers can be easily learnt using number skills like matching, sorting, classifying, ordering and comparing.
