Why choose Cuemath?

"Cuemath is a valuable addition to our family. We love solving puzzle cards. My daughter is now visualizing maths and solving problems effectively!"

- Gary Schwartz

"Cuemath is great because my son has a one-on-one interaction with the teacher. The instructor has developed his confidence and I can see progress in his work. One-on-one interaction is perfect and a great bonus."

- Kirk Riley

"I appreciate the effort that miss Nitya puts in to help my daughter understand the best methods and to explain why she got a problem incorrect. She is extremely patient and generous with Miranda."

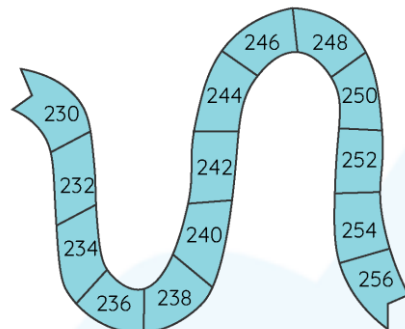

- Barbara Cabrera

FUN FACT

1. In a forward number sequence, every number is greater than the previous number.
2. In a backward number sequence, every number is less than the previous number.
3. Every number sequence has a specific number which is added or subtracted to make the sequence.
