Scale Factor Worksheets

1. Anni made a scale drawing of a neighborhood park. The scale of the drawing was 7 inches = 1 yard. What is the scale factor of the drawing?
2. Mabel made a scale drawing of a house. The scale of the drawing was 7 millimeters = 1 meter. What is the scale factor of the drawing?

Why choose Cuemath?

"Cuemath is a valuable addition to our family. We love solving puzzle cards. My daughter is now visualizing maths and solving problems effectively!"

- Gary Schwartz

"Cuemath is great because my son has a one-on-one interaction with the teacher. The instructor has developed his confidence and I can see progress in his work. One-on-one interaction is perfect and a great bonus."

- Kirk Riley

"I appreciate the effort that miss Nitya puts in to help my daughter understand the best methods and to explain why she got a problem incorrect. She is extremely patient and generous with Miranda."

- Barbara Cabrera
