System of Equations Worksheet

Solve the following pairs of system of equations:

1. $5y = 3z - 1$
 $3y + 2z = 7$

2. $4x = y + 1$
 $5x + y = 17$

3. $3a = b + 2$
 $a - 8 = 5b$

4. $b + 3c + 5 = 0$
 $4b - c + 6 = 0$

5. New York Public Library has a fixed charge for the first three days and an additional charge per day thereafter, for anyone who wants to lend a book. Jonathan paid \$27 for a few books for 7 days while Emily paid \$21 for the same set of books for 5 days. Find the fixed charge and the charge for each extra day.

6. If we add 1 to the numerator and subtract 3 from the denominator, the fraction reduces to 2. The same fraction becomes $\frac{1}{2}$ if we add 1 to the numerator and add 3 to the denominator. Find the fraction.

7. Cost of 5 meat meal box and 3 vegan meal box is \$35. Cost of 2 meat meal box and 4 vegan meal box is \$28. Find the cost of one meat meal box and the cost of one vegan meal box.

8. Five years ago, Ryan's age was ten more than twice the age of David. After five years, Ryan's age will be twice the age of David. Find their present ages.
9. The ratio of incomes of Hailey and Layla is $9:7$. They spend in the ratio of $4:3$. If they manage to save \$2000 each, find their incomes.
10. The sum of a two digit number and the number obtained by reversing the digits is 88. If the digits of the number differ by 6, find the number. Consider the fact that the digit at the units place is smaller than the digit at the tens place.

Why choose Cuemath?

"Cuemath is a valuable addition to our family. We love solving puzzle cards. My daughter is now visualizing maths and solving problems effectively!"

- Gary Schwartz

"Cuemath is great because my son has a one-on-one interaction with the teacher. The instructor has developed his confidence and I can see progress in his work. One-on-one interaction is perfect and a great bonus."

- Kirk Riley

"I appreciate the effort that miss Nitya puts in to help my daughter understand the best methods and to explain why she got a problem incorrect. She is extremely patient and generous with Miranda."

- Barbara Cabrera
