Why choose Cuemath?

"Cuemath is a valuable addition to our family. We love solving puzzle cards. My daughter is now visualizing maths and solving problems effectively!"

"Cuemath is great because my son has a one-on-one interaction with the teacher. The instructor has developed his confidence and I can see progress in his work. One-on-one interaction is perfect and a great bonus."

"I appreciate the effort that miss Nitya puts in to help my daughter understand the best methods and to explain why she got a problem incorrect.

She is extremely patient and generous with Miranda."

ANSWERS

1)	a.
2)	1 tens + <u>1</u> ones = <u>11</u>
2)	
3)	17 = 1 tens and 7 ones
4)	a.
5)	a 2.
	a 2. b 3.
	c 1.
6)	= 20

7)	16
8)	b.
9)	b.
10)	a.

FUN FACT

- 1. In Math every number has a place value.
- 2. The position of the number determines the value of the number.
- 3. The place value can be represented using base ten blocks.
